

The State of IT 2017 AITP Technology Leaders Forum

Topic

Join us as four of our regional IT leaders will be discussing key initiatives and challenges that will impact Information Technology in 2017. This open forum will help IT professionals, faculty, college students, and job seekers gain a better understanding on the *State of IT* for 2017. Our panel this year consists of CIOs/IT Leaders representing banking & finance, healthcare, education, and biopharmaceutical manufacturing sectors.

Time will be reserved for the Q&A session.
