5:00 PM – 6:00 PM (*Meet and Greet*)

6:00 – 7:00 PM (*Dinner & Presentation*). 7:00 – @8:00 PM (*Facility Tour*)

LOCATION & DIRECTIONS:

TierPoint, 9999 Hamilton Blvd, Building #4, Breinigsville, PA 18031 (the brick building to the right side of the main entrance, see [map](#)).

PRESENTER: [Paul Mazzucco](#) - Chief Security Officer, CISSP, MCSE, CEH

Paul Mazzucco is responsible for all corporate standards governing physical, information and network security. He also leads the charge in acquiring and maintaining all industry-specific compliance certifications, including PCI, ISO, NIST, HIPAA, and Federal security standards.

PRESENTATION: Data Protection, The Darknet and Artificial Intelligence

Paul Mazzucco will discuss the double-edged sword of artificial intelligence, which is aiding the efforts of hackers and protectors alike. Explore the world of the Darknet, how bad actors are using machine learning and AI to create better attack vectors, and how IT professionals are also using these tools to defend their vital infrastructure. Powered by behavioral modeling, these technologies are the next frontiers in attack mitigation.
