6:00 – 7:00 PM (*Dinner - FREE*). 7:00 – 8:00 PM (*Presentation - FREE*). @8:00 PM (*Adjourn*)

LOCATION & DIRECTIONS:

Kutztown University, [MSU](#) (see [map](#) of building #6 of North Campus) Room 218. Parking in A1 (metered until 7 PM) or A2.

PRESENTERS: [Johnathan Martyak](#) and [Bhairvi Israni](#)

Jonathan Martyak is a senior project manager with more than 10 years of experience in digital marketing agencies. His main breadth of experience is in the pharmaceutical and medical device arenas. He prides himself in building strong client relationships and exceptional delivery of quality deliverables that exceed client expectations.

Bhairvi is a Senior Project Manager with Business Analyst skills to play dual role based on the client's needs. She primarily acts as a liaison between Liquid clients and the internal team by coordinating all aspects of a project through its lifecycle. She manages two of Liquid's top tier clients and aspires to take on more fun projects in her Liquid career! Her top goal as a PM is making sure the work we produce is on target, on budget and on time.

DESCRIPTION:

Please join us for an exploration of what a project manager does to support IT initiatives as well as how to be a successful project team member. We will explore the history and present state of project management. Look at the tools and techniques in use. We will also discuss best practices for success when being a project manager or working with one.

DINNER FEES:

This is a FREE event including dinner. Professionals, in order for us to order the correct number of dinners, please make sure to RSVP at <https://www.meetup.com/AITP-LV> by **Thursday, February 14th**. This meeting is opened to members and non-members. **Please note:** The Meetup website will direct you to the KTA/AITP Kutztown University Student website.

Please see our website at lv-aitp.org for details and scheduling changes.
