

Patient Engagement Strategies

The 2016 AITP Facility Tour of St. Luke's University Health Network

Topic

How do patients safely access their health information and conveniently communicate with their medical team at St. Luke's? What are the drivers for such health systems?

Presenters

[About St. Luke's University Health Network \(SLUHN\)](#): a non-profit, regional, fully integrated, nationally recognized Network providing services at more than 200 sites, primarily in Lehigh, Northampton, Carbon, Schuylkill, Bucks, Montgomery, Berks and Monroe counties in Pennsylvania and in Warren County, New Jersey.

[About Christine Brutschea](#): ACIO of St. Luke's University Health Network, Chris has over 25 years of leadership in various health systems, and is a member of [CHIME](#), and [HIMSS](#). Prior to St. Luke's University Health Network, Chris was the CIO for Mercy Health System and the CIO for Catholic Healthcare East.

[About Travis Andrew](#): A Consumer Technology Analyst at St. Luke's University Health Network. Travis delivers patients' transparency and accessibility to their health records, and UX-friendly and connectivity to the staff at St. Luke's.
